Borgo Condé Borgo Condé Wine Resort is love and passion towards the Emilia Romagna region, hospitality, culture, good food and good wine. Walking through the vineyards you can experience the marked and refined taste of the land, where, over the centuries, nature has decided to leave traces of its immense kindness.

The magic of the vineyards and the elegance of the details are the common thread that binds every aspect of the Condé experience. Guests can stay in one of the suites within the Borgo village or in the historical villas facing the hills, enjoying the offered services.

Three restaurants are available for our guests, which will take them on a journey through the traditional flavors of our region. Two conference rooms make the Borgo Condé the ideal setting for private events and weddings as well as business meetings and conferences, while the Spa, immersed in the vines, gives our guests moments of rest and relaxation.
