Description

Sciara is based in Bronte, an important town in the province of Catania, between the Nebrodi Park and the Etna Park, famous for its Pistachio "Verde di Bronte PDO". The company deals with production and distribution of Pistachio, dried fruit and semi-finished products, along with products intended for direct consumption, such as spreads, pesto, sweets and nougat. All products are made in an artisanal way, following traditional recipes but with the help of modern equipment. The raw materials are carefully selected and processed so as to best preserve the nutritional values. Our products are intended for those are looking for quality products in Sicily, true flavors accompanied by a touch of innovation.
