Bilateral Meetings

- 02:00 pm - 06:30 pm

Description

The cooperative Society of San Severo was born in 1933. The cellar develops on 2 production sites which extend for more than 18000 square meters. It is equipped for the reception, the processing and the marketing of 18 million kg of grapes. 4 million of these grapes are DOP and 4 million are IGP. The cellar produces and commercializes White rose and red DOP San Severo wine; IGP wines and among them noteworthy are NERO DI TROIA and Bombino Bianco and other different wines labelled 'L'Antica Cantina.'
