Description

Production of menu holders eco friendly.

In the hospitality industry, it's all about creating an experience that customers will remember. That's why we're passionate about our menu covers: they offer a lasting visual impression of your menu. We create custom-designed menu covers for any type of restaurant. We offer unique products with the best quality, using special materials like cork, bonded leather, cellulosic fiber, but also the smoothest Italian leather. We enjoy helping you to create the menu cover of your dreams! Our designer is happy to assist in choosing the right materials, so your menus will stand out from the crowd. We go the extra mile to meet your demands. If you can imagine it, we can build it!
